

MARCH SPECIALS

Let's SALE into Spring! Don't delay order today!

CHAINS & BINDERS:

Multiprens USA is cutting costs on Chains and Binders! Our Chains are all Grade 70 and are available in a barrel, box or in a pail. Our chain binders are manufactured with high strength drop forged steel and meet all CVSA Cargo Securement Guidelines and Federal Motor Carrier Safety Standards. For extra safety use our Pro Safe Chain Binder.

REFLECT A STRAP:

Multiprens USA RAS Reflect A Strap uses high performance reflective fabric that uses glass bead technology. This technology will enhance your freight hauling safety at night and in low light conditions.

- Reflects light back to its source
- Will illuminate reflectivity from any direction
- Drivers can see loose straps
- More visibility to other motorists
